

Each year we have a photographer come in to take photos of each student. To order a package please review the following and turn in the order form to the right!

We will have pictures taken on April 15, 16 & 18. All CLASS and individual photos will be done on the day you normally have class. All students will have their picture taken with their class and as an individual. We will not have a signup sheet this year since we will be taking EVERY student's photo. If you wish to NOT have your child's photo taken please let front desk &/or instructor know.

Keep in mind:

- You will need to wear your class leotard, costume or T-shirt. Have your hair done neatly on the day of your photographs! Even if you are not purchasing a package please be sure to have your class leotard on in order to have class photo.

Order form is to your right. Please turn in the week before your photo session (late orders are accepted, but turning in ahead of time helps us be more efficient).

Parents need not be present for photos if the order form is filled out completely and turned in with payment. To use auto pay, just write AUTO pay on order form.
